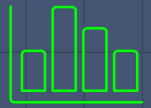
Turn Trading into Business / weekend routine

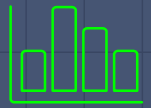


Every weekend you should run your scans to select potential candidates to trade or invest in

1

Universe of stocks
Stocks selected by scan “Champions”
Stocks selected by scan “Marathoners”
“**Champions**”
subset of stocks
“**Marathoners**”
subset of stocks
Stocks selected by scan “Buy Trigger”
Stocks selected by scan “Buy Trigger”
Buy shortlist

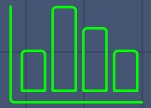
Turn Trading into Business / daily routine



Select the best charts and save them into your monthly selection watch list

2

Turn Trading into Business / daily routine



Every day after 12 PM and at 2.30 PM EST run a scanner “Buy Trigger” applied only to pre-selected stocks from your monthly selection watch list
